

Data Sheet CAM010

Manufacturer: Cerámica La Escandella S.A.
Production site: Agost (Alicante) - España
Brand name: Adjustable ridge beam support - **CAM010**

Dimensions 5 cm/ 9.055"
Unit of sale 1 unit
Material Galvanized steel
Units per box 50 units

Resistance to size: EN 22768-1 Class C

Supporting characteristic strength: GW 30 - 10,58 kN, BL 40 - 2,15 kN

Design strength- support: GW 30 - 6,05 kN, BL 40 - 1,23 kN
