

Data Sheet CAMF950

| | |
|------------------|-----------------------------------------|
| Manufacturer: | Cerámica La Escandella S.A. |
| Production site: | Agost (Alicante) - España |
| Brand name: | Adjustable ridge beam support - CAMF950 |

| | |
|---------------|-----------------------------|
| Dimensions | 39 cm/15.354" 50 ml |
| Unit of sale | |
| Material | Corrugated aluminium and PP |
| Units per box | 1 roll |
| Colors | Red- Black |

| | |
|--------------------------------------|---------------------------------------------|
| Tolerance dimensions: | Length + 1% Width + 3% Thickness+ 10% |
| Fire resistance: | Class C |
| Tensile strength: | 3N/cm |
| Coating resistance | Level 0 |
| Thick coating of polyésier varnish : | ≥ 10 pm |
